

The Vespa is turning 80!

To celebrate this anniversary,
Italeri has created
a 1:9 scale model
of the legendary Vespa PX 125/150

Vespa®

PX125150 1978

Produced by Piaggio from the late 1970s, the Vespa PX is one of the most iconic models of the Italian motorcycling tradition and a true two-wheeled legend, known all over the world and capable of captivating generations of enthusiasts. With a unique and instantly recognizable design, it is characterized by its metal body and handlebar-mounted manual gear shift. Easy to ride, the Vespa PX was designed as the ideal solution for city commuting as well as for short leisure trips. It is the most produced and best-selling Vespa model of all time, with over 3 million units. The Vespa PX was not just a scooter, but a cultural icon of the 1980s. Its presence in films, music, and fashion turned it into a symbol of lifestyle and an icon of "Made in Italy".
